

“How can *Results Coaching* benefit you?”

Dave Romeo

“Talk about results! We cut our crucial summer turnover from 100% to 11% in one year. We also reduced our temporary staffing costs during the same time period from \$81,000 to zero!”

– Stephen Sikking, The Eden Resort, Lancaster, PA

“Since beginning my coaching experience with Dave Romeo three years ago, I’ve been able to deliver more than a \$1,000,000 return on investment to my company.”

– Mike Ferro, Tomlinson Bomberger Lawn Care, Landscape and Pest Control, Lancaster, PA

“After going a month without making one commission sale, I came to Dave Romeo for coaching. I used 2 of Dave’s suggestions. I closed 5 sales in the next day and a half. That month, I set a record for the highest month of commission sales I’ve ever had —26 sales in 30 days!”

– Randy Whitfield, Comcast, Manheim, PA

“Dave showed me how to make my proposals clearer by cutting them down from 17 pages to 6. I closed a \$14,800 contract within 2 hours after submission. This never happened before!”

– Scott Steffan, Sound Video Lighting Solutions, Mechanicsburg, NY
