

Journal American, July 9 1964  
Taken on my vacation, May 1964, from Captree  
Dave lost the only fluke, caught 4 flounder,  
dozen blowfish.

**FISH-MINDED TOT . . .** The fluke don't know it but they're getting it from all ages. Five-year-old

David Romeo keeps eyes on rod tip as he joins the "old" fishermen aboard the Captain Joseph.
